# SHELVE-IT

## ADJUSTABLE SHELVING

*Silver Mesh Basket with black timber frame & silver wire shoe rack*

There are **3** simple steps to the Shelve-It System

**1** Start by fitting the **hang track**.

**2** Hook into the **wall bands** (slots in the tracks).

**3** Clip on the **organisers** (shelves, drawers etc.) for your specific needs.

Should your requirements change for a specific space, **Shelve-It** is easily modified without any renovating.

*Black colour scheme Melamine and Wire shelves and Silver Mesh Basket with black timber frame.*

**Shelve-It** is our exciting new **Adjustable Ventilated Shelving System**. It is designed with you, the 'DIY-er' in mind as it is easy to install and can be customised in a countless number of ways so it is best suited to your requirements.

There are three great colours in this system:

White

Silver

Black

giving you the potential for 6 different colour schemes.

*White colour scheme Melamine & Wire shelves. Shelve-It is incredibly versatile which allows you to customise your wardrobe to suit your needs.*

### 'Organisers' for the Shelve-It system:

Wire Baskets | Mesh Baskets | Wire Shelves | Timber Shelves  
Slide-out Shoe Racks | Pull-out Trousers Racks | Tie/Belt Racks

To help you with your installation, we have DIY instruction videos on our website.
